

5.17.10 CONTRACTOR'S QUALITY CONTROL PLAN

(a) Scope

The following subsections provide guidance for contractors to maintain quality control laboratories and personnel for QC/QA designated projects. Currently there are three subsections that require such functions:

- 5.17.10.1 **HMA:** Contractor's Quality Control Plan
- 5.17.10.1.A Appendix A: Guide for Quality Control and Acceptance Requirements for HMA
- 5.17.10.1.B Appendix B: Example of a Laboratory Quality Manual

- 5.17.10.2 **Concrete:** Contractor's Quality Control Plan
- 5.17.10.2.A Appendix A: Example of a Laboratory Quality Manual

- 5.17.10.3 **Concrete Structures:** Contractor's Quality Control Plan
